AMERICANS WITH NO ADDRESS, THE DOCUMENTARY

The producers of the feature film No Address wanted to have an accurate perception and understanding of what homelessness truly looked like across the U.S. They were interested in learning more about what solutions have been implemented and proven to show positive changes in the community.

Since their three-week bus tour in 2022, they have visited with over **500 people** across the nation in *20 major cities in 18 states* facing high rates of homelessness. The team interviewed policy leaders, mission directors, clinical specialists, CEOs of national nonprofits, executive directors of local and regional nonprofits, influencers, those who had experienced homelessness, and those who were still struggling.

Trauma, mental health, substance abuse, lack of affordable housing, and economics are all factors for the drastic increase in homelessness in our country. Nine scenes from the feature film No Address appear in the documentary, providing a narrative version of these various topics. The documentary Americans with No Address is impactful as it went to great depths to uncover the truth about homelessness and promote love and compassion to those who are experiencing it.

THE INTERACTIVE STUDY GUIDE

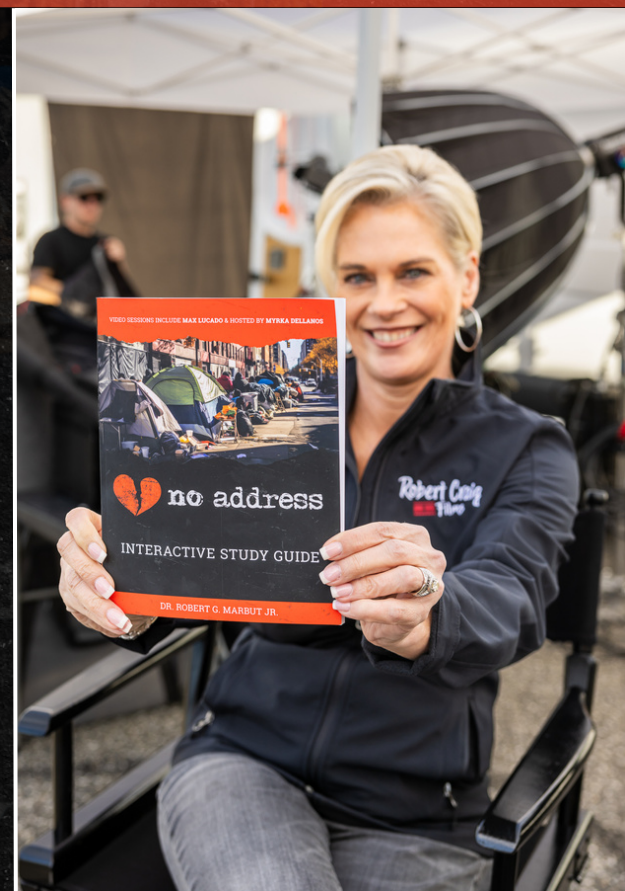

THE COLLABORATIVE
SOLUTION TO REDUCE
HOMELESSNESS

AN INTERACTIVE STUDY GUIDE
WILL SERVE INDIVIDUALS, SMALL
GROUPS, CONGREGATIONS,
PASTORS AND LEADERS
PUBLISHED BY DAVID C. COOK.

OUR GOAL

has always been to use the power of film to inspire action. The No Address: An Interactive Study Guide coincides with the feature film No Address and will literally save lives and improve communities, as it provides practical ways for individuals and groups to reduce homelessness

HOMELESSNESS HAS BECOME A CRISIS BECAUSE MOST PEOPLE FAIL TO UNDERSTAND THE INTERLOCKING ISSUES OF HOMELESSNESS, UNTREATED MENTAL ILLNESS, AND ADDICTION, AS WELL AS PTSD, DOMESTIC VIOLENCE, AND SEX TRAFFICKING. IT IS IMPOSSIBLE TO HONESTLY ADDRESS AND SOLVE HOMELESSNESS IF WE DO NOT TAKE INTO CONSIDERATION THE REAL ROOT CAUSES OF HOMELESSNESS

THIS PROBLEM IS VERY REAL AND IS A VISIBLE CONCERN, PLAGUING MORE AND MORE PEOPLE EVERY DAY. AS WIDE OF A POPULATION AS HOMELESSNESS IS, THERE IS STILL A STRONG PREJUDICE AGAINST THEM FROM THEIR LOCAL COMMUNITIES WHERE THEY LIVE. PEOPLE WHO EXPERIENCE HOMELESSNESS ARE DEHUMANIZED FROM THE WORLD AROUND THEM.
